ACPA AWARDS DINNER

Join us at this year's Australasian Catholic Press Association (ACPA) Conference, where we will explore Pope Leo XIV's call to protect humans against the worst aspects of Artificial Intelligence (AI). It is our duty as Catholic journalists and communicators to share stories that 'lovingly safeguard the grandeur of humanity bestowed upon us and revealed in its fullness in Christ, the splendor of which no machine can ever replace' (*Magnifica humanitas*, §15).
